

BELEN REAL ESTATE IS JUMPING SKYWARD

SANTA FE COMPANY BUSY
GRADING FOR NEW BUILDINGS

Correspondence Morning Journal.
Belen, N. M., Dec. 4.—Belen, the growing terminus of the Santa Fe cut-off, is booming these days, real estate is taking on accelerated activity and prices are double what they were a few weeks ago.

The Santa Fe railway is getting material on the ground for the erection of a commodious depot and Harvey eating house, a new 51-stall round-house and machine and boiler shop for small repairs. The company is grading up the yards and grounds for the commencement of the work.

A. Didier, the wine merchant is putting in a new distillery for the making of peach and grape brandy and will have it in operation within a few days. He has over 50,000 gallons of native wine on hand.

The Hey-Day club is closing a deal for the erection of a new club house and the work will be begun in a few days. The new building will cost in the neighborhood of \$5,000 and will be a thoroughly modern club in every way.

Miss H. Kroenke has accepted the position of manager of the Postal Telegraph office in Belen. Miss Kroenke has been with the Postal company for a number of years and has worked at various points over the system.

The Commercial hotel, which has been damaged by water from the Santa Fe ditch, will be reconstructed in a very short time and a modern structure will be built on the ground now occupied by the adobe. It is understood that the proprietor, Fred Becker, will attempt to collect damages from the Santa Fe company for the recent injury to the building.

The Postal Telegraph company has a number of linemen at work at Belen these days making necessary changes in the lines in this vicinity.

The Colorado Telephone company will have a number of new copper wires strung between this city and Albuquerque in a few weeks to accommodate its many patrons.

Grip Quickly Knocked Out.
"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of la grippe with all its miserable symptoms," says Mr. J. S. Eggleston of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip."

It is a good plan to take a dose of the Tablets when you have a cold. They promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or attack of the grip. For sale by all druggists.
